SENIORS

CLASS OF 2023

We want to take a moment to express our sincere congratulations to each of our graduating seniors on this incredible achievement. Graduating from high school is no small feat, and to do so while continuing to pursue your passion for art & dance is truly commendable.

We have had the pleasure of watching all you grow and develop as dancers over the years, and we are constantly impressed by your dedication, hard work, and commitment to your craft. You have poured your hearts and souls into your performances, and it has been an absolute joy to watch you shine on stage. As you move on to the next chapter in your lives, whether it be college, a gap year, or something else entirely, we have no doubt that you will continue to succeed and excel in all that you do. Always remember the lessons you've learned through dance: discipline, focus, perseverance, and above all, the power of self-expression.

We are so proud of each of you, and I wish you all the very best in your future endeavors. Congratulations, graduates!

Natty Crowley

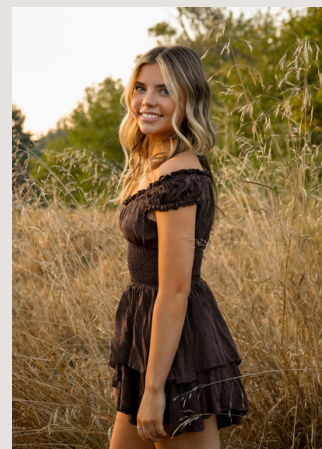

William Mauch

Sam Musser

Hanna Orban

We also want to give a special, heartfelt shoutout to someone who holds a special place in our hearts. **Kristina Morris**, our alumni-turned-teacher, has just graduated from the University of Washington! We couldn't be prouder of you and all that you have achieved. Keep shining brightly, and know that we're cheering you on every step of the way!

PREMIERE DANCE CENTER

AUGUST 7TH-11TH

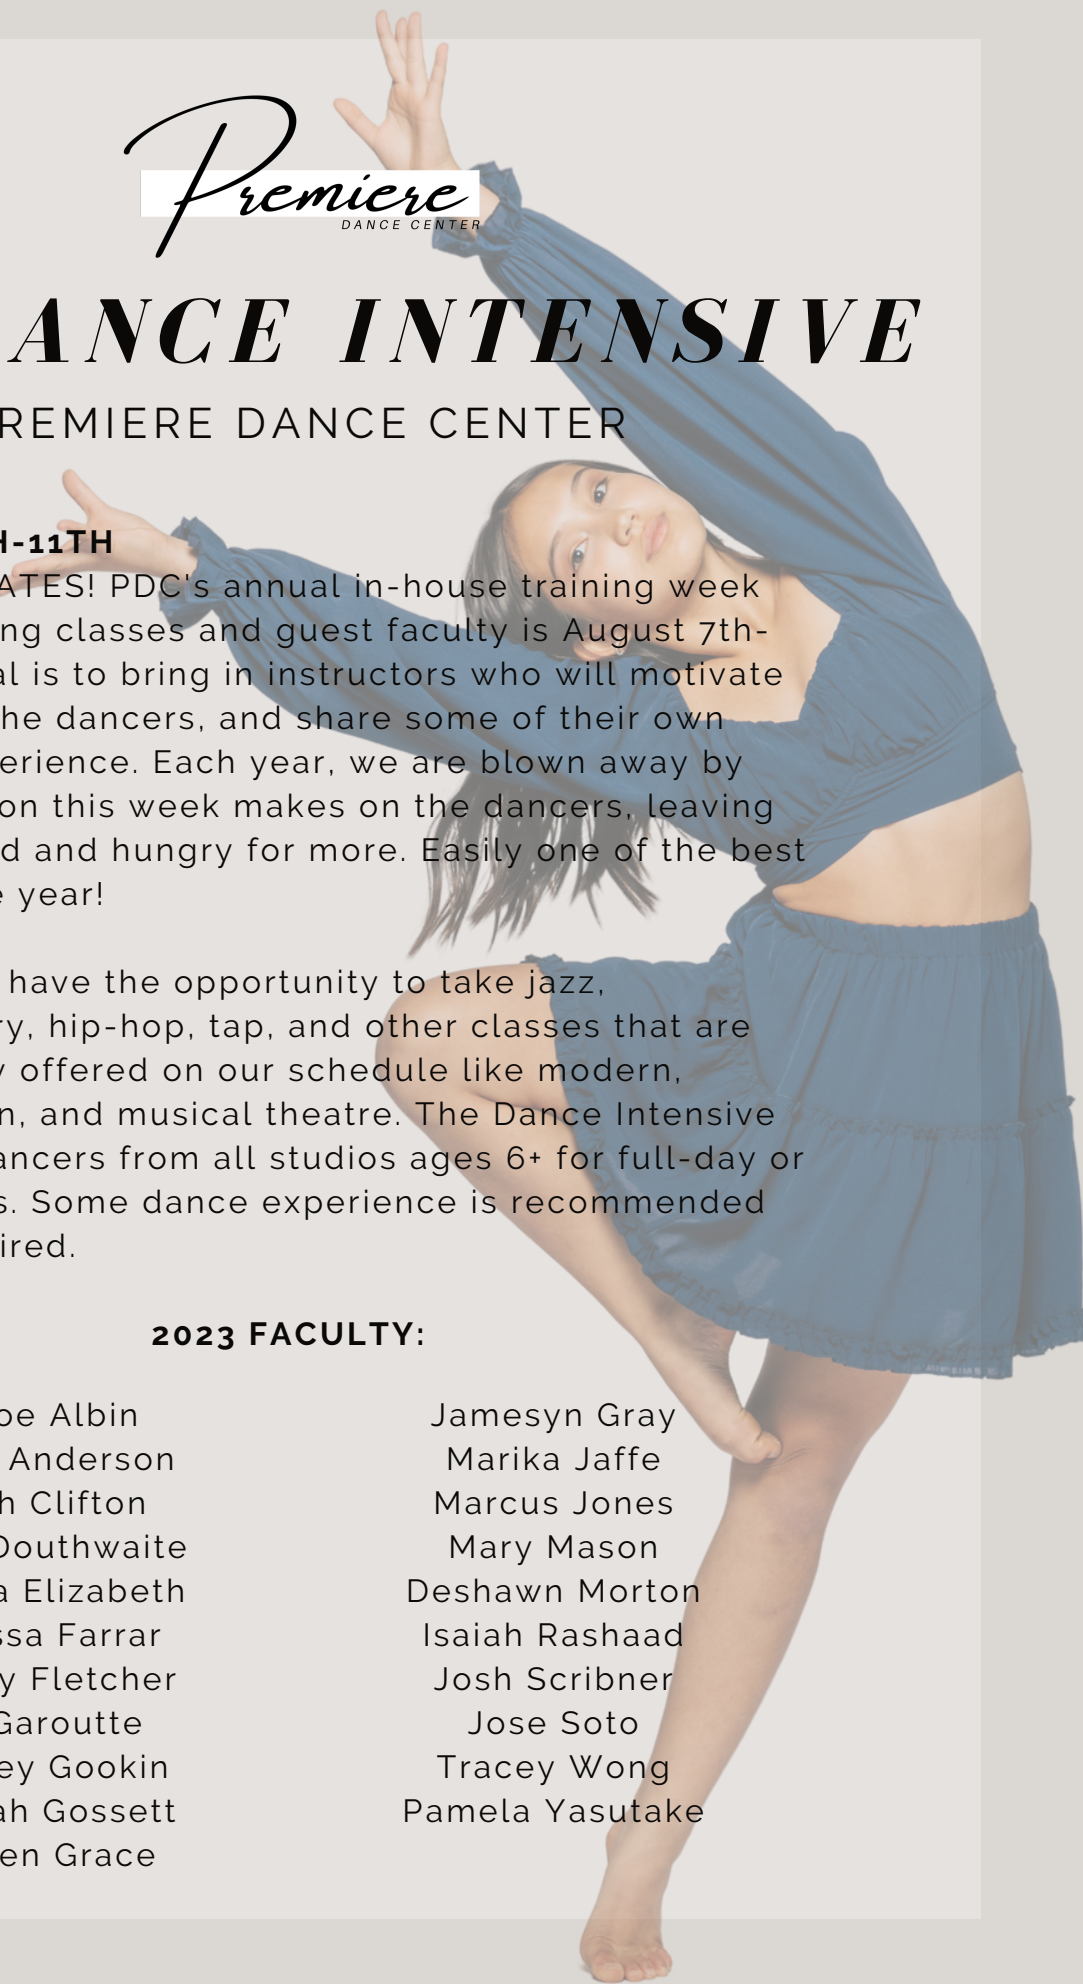

SAVE THE DATES! PDC's annual in-house training week full of amazing classes and guest faculty is August 7th-11th. Our goal is to bring in instructors who will motivate and inspire the dancers, and share some of their own industry experience. Each year, we are blown away by the impression this week makes on the dancers, leaving them inspired and hungry for more. Easily one of the best weeks of the year!

Dancers will have the opportunity to take jazz, contemporary, hip-hop, tap, and other classes that are not regularly offered on our schedule like modern, improvisation, and musical theatre. The Dance Intensive is open to dancers from all studios ages 6+ for full-day or drop-in rates. Some dance experience is recommended but not required.
